Dear [REDACTED]

The Multicultural Plan 2019 -2020 and the QPS Cultural Capability Action Plan (CCAP) were produced in response to Notice 2.049.

We are instructed that:

- the CCAP was produced in 2018/2019;
- the CCAP has not been renewed as the majority of the deliverables are intended to align with the Queensland Government Reconciliation Action Plan (RAP). The QPS intent is to maintain the existing CCAP and develop a new CCAP upon release of a new RAP (the current RAP was extended and expires in December 2022);
- the QPS continues to report against the CCAP through Culture and Reconciliation and Moving Ahead (CARMA) reporting.

We trust this assists.

Kind regards

[REDACTED]
