

ETHICAL STANDARDS COMMAND REPORT

Domestic Violence Statistics - Commission of Inquiry Report

Report Period: 1 January 2017 - 30 June 2022

Report As At 12 July 2022

Caveat: The unauthorised disclosure of this document and/or contents constitutes an offence. If this document becomes the subject of any legal process or Right to Information application, Assistant Commissioner, Ethical Standards Command is to be advised immediately prior to the release of any information. The complaint data contained in this document was extracted from the Ethical Standards Command Police Integrity and Professional Standards (PIPS) complaint database that commenced in May 2021. As a result, this data is not directly comparable with previously reported complaint data extracted from the QPS Client Service System (CSS). Whilst care has been taken in the preparation of this material, no responsibility is accepted by the author(s) or the Queensland Police Service for any errors, omissions or inaccuracies. This data is current as at 12 July 2022 unless stated otherwise and may be subject to change upon further revision.

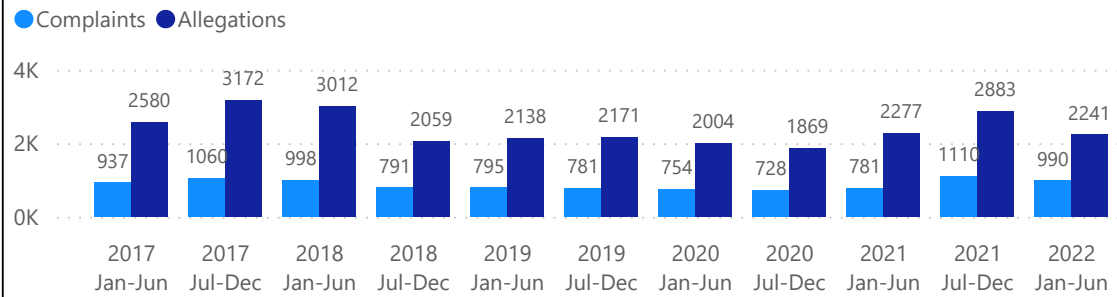

Our values are at the core of who we are and what we do each day

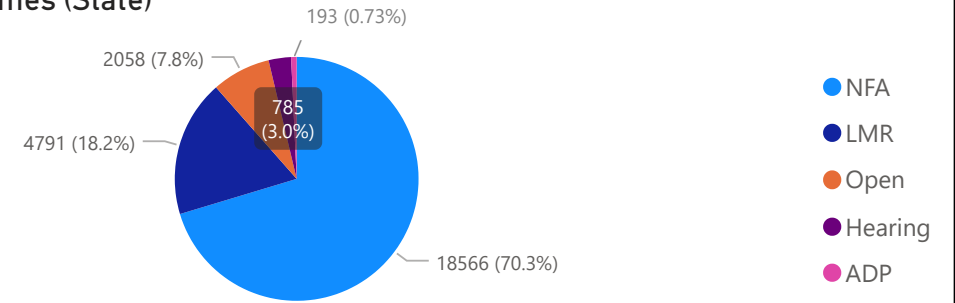

TOGETHER WE PREVENT, DISRUPT, RESPOND AND INVESTIGATE

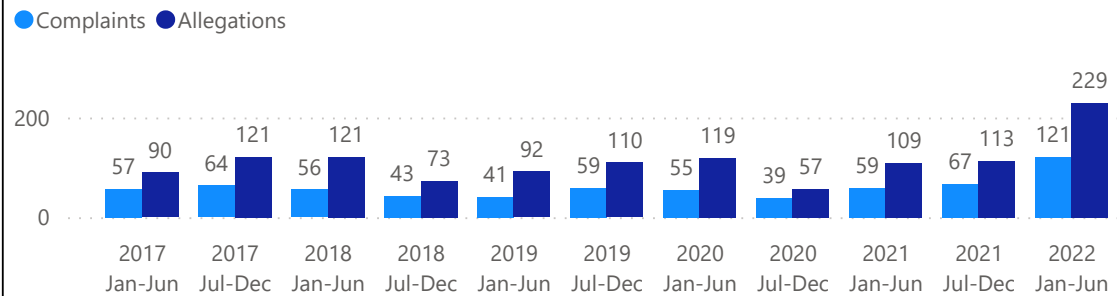

Total Complaints and Allegations

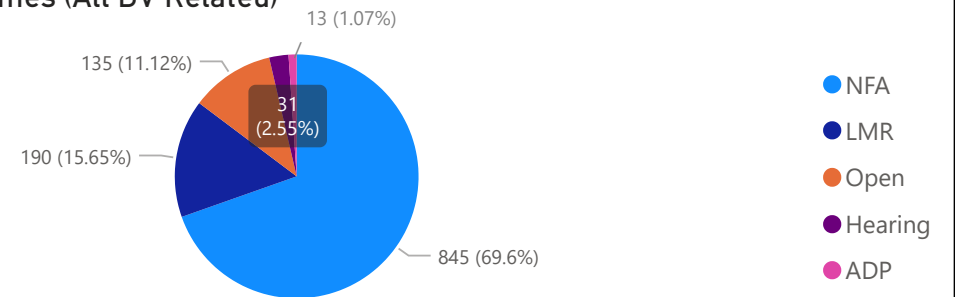

Allegation Outcomes (State)

DV Related Complaints and Allegations

Allegation Outcomes (All DV Related)

*DV Related Allegations is comprised of allegations 13.09 Domestic Violence, 5.0 Misuse Information and 16.0 Failure of Duty. Allegation 5.0 and 16.0 are not specific to Domestic Violence and is only identified via either a allegation description free text field and/or a keyword selection being applied by assessing officers. *

** Allegation Outcomes are representative of selections available within the current PIPS Complaint System. Allegation Outcomes used with CSS Complaints System (Prior to 12 May 2021) were migrated in a way to be encompassed in one of the outcome sections within PIPS (e.g Within CSS the outcome of Management Process and LMR were migrated into the singular selection of LMR.)**

Percentage of DV Related Allegations vs Total State Allegations

	2017 Jan-Jun	2017 Jul-Dec	2018 Jan-Jun	2018 Jul-Dec	2019 Jan-Jun	2019 Jul-Dec	2020 Jan-Jun	2020 Jul-Dec	2021 Jan-Jun	2021 Jul-Dec	2022 Jan-Jun
Complaints	6.08%	6.03%	5.61%	5.43%	5.15%	7.55%	7.29%	5.35%	7.55%	6.03%	12.22%
Allegations	3.48%	3.81%	4.01%	3.54%	4.30%	5.06%	5.93%	3.04%	4.78%	3.91%	10.21%

Time Spent on DV Related Allegation Complaints

<p>Shortest Time Taken 1 Days</p> <p>*LMR was implemented on same day of Complaint being raised and subsequently finalised*</p>	<p>Longest Time Taken 1061 Days</p> <p>*Member has long periods of leave and subsequently medically retired, 7A process underway*</p>	<p>Average Time Taken 119.1 Days</p>
